Delightful Home amongst Rainforest Trees

This delightful cedar home is nestled amongst a range of rainforest trees. It offers 2 bedroom, 1 bathroom with a large open plan living dining and kitchen. The backyards overlooks a summer creek amongst ferns and trees. It only has one neighbouring property on the one side and hidden across the creek is a picnic area. It is set on a 1873sqm block most of which is cleared surrounding the house.

It features:

- 2 carpeted bedrooms with build in robes
- bathroom with shower
- private deck flowing from kitchen / dining area
- Wooden floors through open plan kitchen / dining / living
- Ceiling fans throughout the property
