| I understand that the tenant agrees to replace light bulbs as required, at their own cost.                                                                                                                                                                                                              |      |
| I acknowledge that I have tested all appliances in my property as suggested in the troubleshooting. I understand that if any electrical issues are caused b faulty appliances, I will be held accountable for any costs/callout fees incurred.                                                          | У    |
| I agree that if I request emergency maintenance and it is not classed as "Emergency Repairs" I will be held responsible for full payment of the callout and fee/s involved.  I acknowledge that if this is NOT a genuine maintenance I will be responsible for paying the call out fee and labour cost. | othe |
| Should you initiate any repairs or maintenance without proper authority you do so at your own cost (except in cases of emergency).                                                                                                                                                                      |      |

## Please Note

If a booking is made with a Tradesperson and access is not available for the Tradesperson, as arranged with tenants, you may be liable for the Tradesperson's call out fee. It is important to ensure a nominated person is at the premises to allow access.

## Important Note:

If you have not been contacted by our representatives within 2 working days of submitting your maintenance request please contact our office on 1300 774 234 in the event of a technical error. All requests are subject to the lessor's approval. All non-urgent maintenance is subject to tradespeople availability.
